Author: **SUSANNA WIESENER**

Title: **KARRIERE NACH DER KARRIERE**

English title

Translation: ***YOUR SECOND CAREER***

About title: How do you reposition yourself in your career? Susanna Wieseneder, a personal counsellor, gives advice for people on how to master the second half of life and enjoy the fullest the opportunities of the "second career". The author shows how people around the age of 45 can evaluate their situation and move towards new career patterns. This book includes practical examples and a toolkit for personalized advice.
